The Weekly Gazette.

CITY OF LANCASTER:

obey. We had determined to let the matter this result. how is it! The Eagle says:

The Constitution of New Hampshire requires affeched of \$100, and that "he shall be of the Protestant religion." The Whigs despairing of preferring any charges against fire. Fire on ally or politically, wish to hold him responsible for that intolerant clause in the constitution of his native State, which requires all representatives to be of the protestant religion. This clause begane a part of the constitution in 1792—thirteen years of the constitution of the man who can lead an army of the constitution of the man who can lead an army of the constitution of the protestant religion. The whold said misrepresentatives a freehold of \$100, and that the misreal the shall be of the Protestant religion to the the whole the man who attempted to degrade the whole the man who attempted to degrade the whole the man who had fought their battles. If a mean who had fought their battles. If a during Mr. Clay's address to the students of the chair. Thus has a meaner paragraph of as many lines, can be prepared at every position. There were only and the students of the chair. Thus has a mean paragraph of as many lines, can be prepared at every position. There were only should every position. There were only should every position. There is no "mean who had fought their battles. If a during Mr. Clay's address to the students of the chair. Thus every amendment shall be submitted to the John Shæffer were appointed delegates. people, and "before the same shall go into effect it shall be laid before the towns and incorporated places, and approved by two-thirds of the qualified voters present." The os of 1840."—Lancaster Gazette. Whigs and Abolitionists united and defeated the amendment. Upon them and not General fective in humbugging the people.—Hocking his skill in planning was aided by the best Pierce the responsibility rests."

clause, and these quite recently Who vot- of capacity. ed against repeal!

gainst repeal. But this, it will be said, was higher post.

erty Qualification was carried by nearly three get them, as it will save trouble and exto one, while the repeal of the Catholic Test was pense. to one, while the repeal of the Catholic Test was defeated, lacking 2,500 of a majority. The vote stood—For Repeal, 9,566; Against it 12,092—so the two-thirds rule (if such exist) had no effect. Now at this trial, as at the bad now at the bad the Whigs and Abolitionists," as the Eagle the 5th inst., was deeply interesting. Every received his personal attention while wounwe cannot tell how each individual voted, the specific list the city. He said no man had been mal-specific list the city list the city. He said no man had been mal-specific l we cannot tell how each individual voted, the official returns show that Cheshire, the strongest and almost only steadfast Whig county, voted 1,322 for Repeal to 716 awing rece Sollers will also, unite with us in support of the Hero of Lundy's Lane. Notice.

CLOTHING! CLOTHING! GENTLEMEN, the great wonder and excit of the day now is how such a quantity rich and splendld Clothing as you will find

CHECKERED STORE, Can possibly be disposed of in due season, unless it is the pro-part of a large increase to the population of our teathly and beautiful city. No doubt the richness of the surrounding country, combined with the spirit and industry of our enterprising farmers, has stimulated those parties in laying in such mountains of goods in the way of Farmerant's CLOTHELES.

The superior manner in which they are made—the fashionable style of their cut and workmanship—the quality of the material, and the variety of shades and colors they are composed of, would induce you to say without lessitation that the proprietors must be untiring in their efforts—and their ingenuity more than common, to collect such a quantity of besutiful garments together. And the test of all is, the

Unusual low Prices they are Sold for, Unusual low Prices they are Sold for, Would almost make you swear that you would never buy a yard of stuff in a store to have made up, for yourself or the bays. If you bitly a suit of clothers, you see the fit—the quality of the goods—and all done in a few minutus, with little trouble, before you pay one cent of your money. Nutwithstanding some of our modest, unassuming neighbors will raise their voice and estition you, very plously! Printed the production of "Eastern Slop Shopa!" Thing at the production of "Eastern Slop will conclude poor Old Mother Goose is in such de-mand, sho will be compelled to hide herself or every. Catico boy on the streets will certainly pluck her to death. What Parisian Crooks we have got of late death. What Paristan Crocks we have got or late in the shape of old women and shop boys; pure charity for the Irish friends, I suppose, has brought theat to it; well, well! this is the age of progression, certainly. To be candid, those who want to save as much in the purchase of a suit of clothes, as will give the child half a year's schooling would do well to call at the OLD CHECK ERED STORE where you can be fitted out from head to foot, out or those piles. can be fitted out from heat to foot, out or those piles of clothing we have stored away. What we sell you we warrant in every particular. If anything happens to be wrong in your purchase, return the goods, and select from our stock a frosh supply. It is useless to mention the variety of our
